

living better together

Do you want the next step in your career? We help you take it.

Working at UNIQA. Better works for me.

As one of the leading insurance companies, we know that together we can achieve more. At UNIQA, we are therefore the community for a better life. We use our individual skills to shape the future together. The SEE region, namely Bosnia and Herzegovina, Bulgaria, Croatia, Montenegro, Romania and Serbia, is the 3rd largest group of companies in UNIQA Customer & Markets International business with a GWP of close to € 425 Mio. in 2023 and about 2,200 employees. With a total market of over 2,5 million customers, SEE countries represent great potential for growth and development through enhanced regional cooperation, a data-driven and customer-centric approach and innovation. Thanks to the agile way of working, the synergies between the teams, and our diversity, UNIQA is a unique organization with one voice, one strategy and one culture.

**If you want to build your career in an innovative, international, and agile environment, apply as a**

## Security Specialist Podgorica
